Your Health Check Results

Free NHS Health Check
Helping you prevent heart disease, stroke, diabetes and kidney disease.
Some of your results are colour coded:

- **Green**  =  **Well done** Keep up the good work
- **Orange** =  **Be careful** Let’s look at how you can help yourself
- **Red**    =  **ACT NOW** Let’s look at how you can make some changes

* this means your % risk of developing CVD eg heart disease, stroke, diabetes or kidney problems over the next 10 years.
Thank you for having your health check today. I hope you have found it beneficial.

What small things can I start to change today?

What do I want to work on over the next month or so?

What’s my goal?

On a scale of 0-10 how confident do you feel that you can achieve this goal?
1 = not confident, 10 = very confident

What could stop me?

Who can help / support me?

How can I reward myself when I achieve my goal?
Do you want to improve your health?

Lose weight and maintain a healthy diet?

Reduce your alcohol intake?

Stop smoking?

Get more physically active?

Contact Phil for support and advice on local services on 01209 215666, text on 07800 006472 or email phil@cornwall.nhs.uk
